Federal Legislative Update *Shelly Ziman*

From NARFE HQ: 2017 brought unprecedented threats to the earned pay and benefits of the federal community, and NARFE was successful in preventing those harmful cuts from becoming law. But it's a new year, and even greater threats could arise through the budget process and other pieces of legislation. Learn what to expect in the face of grave threats, how NARFE plans to fight on your behalf and what you can do to protect the benefits you earned through a career of public service.

NARFE members are again encouraged to use the **NARFE Legislative Action Center** to quickly and easily send letters to members of Congress on a variety of NARFE issues, sign up for action alerts, and track NARFE-related bills and votes.

Member Meeting **Jan 19, 2018**

Our guest speaker for the meeting was Gloria Coliton from the SoMD Red Cross. Red Cross is a 92% volunteer organization dedicated to Disaster Preparation and Health Safety, Bio Medical, Emergencies, and Service to Armed Forces Personnel. Actually, home fires account for their most frequent aid responses. Every household should have a plan for exiting and regrouping after a fire.

A growing Calvert chapter needs responders, outreach, coordinators and leaders. There are now offices in Annapolis and Lexington Park. Contact Gloria.colito@redcross.org.
