**"Getting Back to Normal"** Is going to take a little longer, but your officers are trying! Due to low participation, we canceled the annual picnic and rerouted our speakers. For October we try again with a large craft room at Calvert Pines and again, a "live" speaker. **Masks are optional.**

We will also get together for an early lunch at **La Tolteca Mexican** before the meeting. We invite any members to join the officers.

President, Barry Grier  
Vice President, Shelly Ziman  
Sec/Treas, Bob Oszejca  
Membership, Max Munger

**Legislative** *Shelly Ziman*

(from NARFE HQ) A stopgap measure, known as a continuing resolution, passed the Senate in a bipartisan vote of 65 to 35, overcoming the 60-vote threshold needed for approval. It was then swiftly taken up by the House, which cleared the bill with a vote of 254 to 175. The President signed the bill into law shortly thereafter, ahead of the Sept 30 midnight deadline to avoid a lapse in federal funding and a partial government shutdown.

Meanwhile, action has been further delayed on the \$1.2 trillion **infrastructure legislation** as negotiations continue on a \$3.5 trillion **reconciliation bill**, which includes:

- Two free years of community college
- Child care and universal pre-K
- Medicare expansion
- Extended child tax credit
- Paid family and medical leave
- Clean electricity performance program
- Other, such as \$2.5 billion for the Justice Department to award competitive grants or contracts

- Learn about new Medicare Advantage options offered by certain FEHB plans that provide tremendous savings.
- Compare FEHB plan dental benefits with standalone FEDVIP dental plans to determine if paying an extra premium for the FEDVIP plan is worthwhile.
