What Would You Like to See?

The Officers are continually looking to entice members to attend monthly meetings. We always need fresh ideas and new 'muscle'. Your participation and leadership are desperately needed to continue the chapter.

We hope the presentations would entertain and inform you about relevant topics. But we need your attendance! LIVE meetings are to be held at Calvert Pines SC in Prince Frederick. ZOOM meetings are notified by email.

Without a LIVE audience, we are arranging ZOOM meetings via your computer screens. **Join the MAY Zoom Meeting 1:00pm**

Benefits Guidance for Survivors of Federal Annuitants

Trying to prepare for the loss of a loved one makes many of us uncomfortable, but for a surviving spouse or child of a federal annuitant, it's important to know what happens once the death is reported to the Office of Personnel Management (OPM).

This comprehensive publication from NARFE's Federal Benefits Institute covers multiple contingencies and walks survivors through the steps they'll need to take to ensure benefits are transferred correctly. Topics include:

- Reporting requirements and procedures
- Helpful phone numbers and websites.
- OPM actions when notified of a federal annuitant's death.
- Social Security benefits for surviving spouses, children and dependent parents.

- Death benefits for survivors of active federal employees.

Death is an unpleasant topic for most, but thoughtful end-of-life planning is a tremendous gift you can leave for your loved ones. Let NARFE help you lighten their burden by ensuring they have all the information necessary to handle your affairs.
